## Marquis Jet Announcement

Hawthorn is pleased to announce that we have formed an alliance with Marquis Jet Partners, Inc., a leader in private jet cards. We have recently seen an increase in interest and activity among our clients in using private aviation services. Marquis Jet will become the preferred aviation provider to assist high-net-worth clients in private air travel analysis. This program with Marquis Jet will provide access to experienced aviation consultants to help our clients decide, which private aviation option best serves their needs. Through Marquis Jet's exclusive partnership with NetJets, Marquis Jet provides the convenience, quality and safety of the world's premier fractional aircraft ownership program 25 hours at a time.

Due to Hawthorn's keen understanding of the unique personal and financial needs of the high-end discriminating traveler, we have negotiated additional benefits for our clients to accompany this program that would otherwise not be available. These value-added benefits include, but are not limited to, the following services and memberships:

- One complimentary flight hour
- Complimentary ground transportation
- 24-hour access to Mayo Clinic Executive Response Program and medical services
- Membership to Avis Chairman's Club – Avis' highest level of preferred service
